

SpaKing Spa Therapy

Massage Inground Spa Jets

White

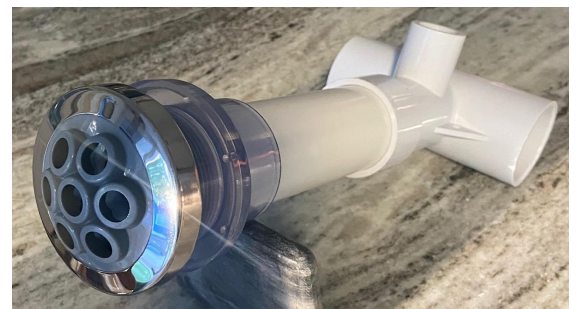

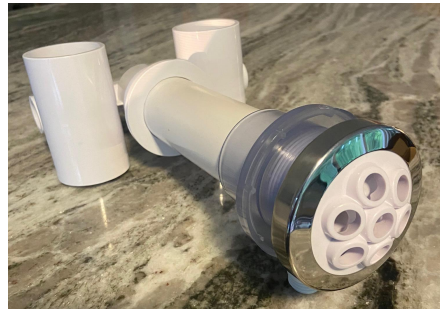

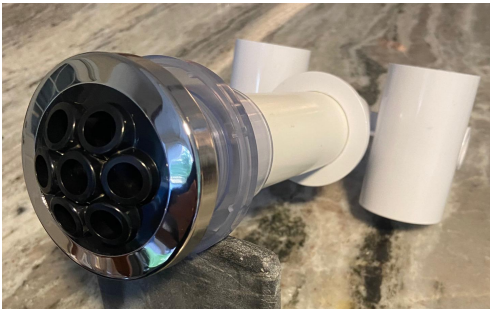

Black

Gray

For a permanently installed inground spa, we offer the SpaKing Therapy Massage Spa Jets. These jets are designed to give the user a relaxing experience. These jets spin, creating a massage action versus normal pool fittings. They are available in three colors, all with stainless steel trim. They are easily serviced and replaced. With over 40 years experience with spa jets, these are the best we have to offer today.

- **Therapy massage action**
- **Keeps stream spinning, covering more area**
- **Install and enjoy!**

Ask your pool builder for more details.
These are the complete jets your builder will install.

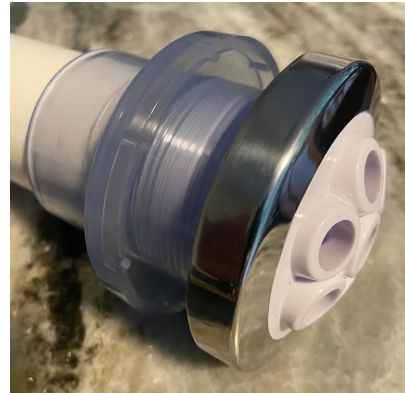

ARG

SpaKing Spa Therapy

Massage Inground Spa Jets

These spa jets are popular with users and pool builders because of their value.

SpaKing Spa Jets are available with different venturi tees and fittings. Please contact ARG for more details.
